SEARCH PARTY
INVITATION

HOW LONG WILL IT TAKE TO COMPLETE?

Our 4 trails each span 1–2 miles. Allow around 2–3 hours. It may take longer if you get sidetracked. That's ok: there's no rush (and we encourage mosey and mingle...)

WHAT IF I DON'T FINISH THE TRAIL?

Then you shan't go to the ball after all! But never mind: you'll have had fun en route...

ANY TIPS ABOUT APPROACHING STRANGERS?

Start with the simple words 'I am searching...' (be persistent if they appear resistant).

NAVIGATIONALLY CHALLENGED?

There's a map to help you but beware of stray red herrings... The Search Fairy may / may not offer you a cryptic hint. Text 07514 742 716 – no guarantees.

SSSH: KEEP IT SECRET!

Don't reveal clues to anyone who isn't in your team. The fun is finding out.

RULES OF PLAY: BE A SPORT!

We'll try hard to make your journey smooth, but there are bound to be hold-ups on the way. This is where you come in: feel free to release the entertainer within you. The party is also in the journey.

LEAVE NO MARK!

We hate litter: please leave no mark or trace behind you!

REPARTEE?

It's fine to talk to party seekers on other teams: you may well need their help!

BE SWEET TO OUR SEARCH ENGINE!

A good engine must be well oiled. This project only exists because of the kindness of others. Many people have volunteered, opened their doors or agreed to close them – for us.
